DIGITAL SCHOOL

TORBALI PİRİ REİS MESLEKİ VE TEKNİK ANADOLU LİSESİ

Erasmus+

IN OUR SCHOOL:

- WE HAVE INTERACTIVE BOARD İN EVERY CLASSES
- ALL INTERACTIVE BOARD HAVE A INTERNET CONNECTION.
- OUR SCHOOL SUB–STRUCTURAL QUALITY IS ENOUGH FOR DIGITALIZATION.

Erasmus+

EBA (Educational Information Network)

- EBA networking by Ministry of Education for teachers, students, parents…
- EBA contains lots of educational materials for every students in every level. (lecturing, experiments, quizes and exams…)
- There is some other applications and networks in private school like EBA for lecturing, preparing exam, presentation and videos.

Erasmus+

- DYNET

– Language learning programme based on computer.

WHAT CAN WE DO?

- We can popularize using Web 2.0 tools in schools.
- Blendspace (To prepare educational material for teachers)
- Socrative (Exam application)
- Kahoot! (Online exam application)
- Edpuzzle (Its an application for videos allows you make some changes on them.

Erasmus+

- Edmodo (A social learning network for teachers, students and parents.)
- Students use smartphones effectively. There fore we should desing educational applications.
